Lack of Resilience Index:

Lack of Resilience represents the combination of susceptibility to impact and the relative inability to absorb, respond to, and recover from negative impacts that do occur over the short term. There was insufficient data to determine the Lack of Resilience Index score for **Vanuatu**. There was insufficient data to determine the Lack of Resilience Index score for **New Caledonia**.

There was insufficient data to determine the Lack of Resilience Index score for **Vanuatu**.

There was insufficient data to determine the Lack of Resilience Index score for **New Caledonia**.
